THE ART OF THE MIX

Problem Child Ten83, known as The Phoneless DJ, is a South African DJ and music producer based in Gauteng. His DJing journey began in the late 1990s in Seshego, Polokwane, Limpopo. Specialising in Deep House and Afro House, he performs exclusively on vinyl and is known for mixing without headphones.

As one half of South African duo Black Motion, he has graced numerous stages. His body of work includes a wide-ranging catalogue of EPs and albums. His vinyl-led performances combine years of experience with a distinctive approach to selection and mixing.
